

Pendant lamp

The Kanlux PHLOX C GU10 pendant lamp is an elegant ceiling fixture that combines simple form with solid workmanship. Adapted for PAR 16 light sources with a GU10 base and power up to 10W, it allows for flexible selection of lighting parameters depending on your needs. The long aluminum alloy shade and woven fabric cord guarantee timeless aesthetics and durability, making it suitable for both residential and commercial spaces. An additional ring at the bottom of the shade allows for easy replacement of the light source. The luminaire, with a height of 300 mm and a diameter of 54 mm, is ideal for spot lighting of tabletops, tables, and bedside tables. The pendant lamp can be adapted to the TEAR track system.

GENERAL DATA:

Colour: black

Place of assembly: ceiling mounted

Place of application: Indoors

Minimum distance from the illuminated object: 0,5m

Height [mm]: 300

Diameter [mm]: 54
