

KANLUX LCOB 10W/M 24V

LED лентата Kanlux LCOB 24V е уникално решение за осветление. Има много висока светлинна ефективност и 3 години гаранция. Уникалната му характеристика е, че свети докрай - няма по-светли или по-тъмни участъци върху него, няма видими светлинни точки. Лентата Kanlux LCOB излъчва равномерна светлина независимо от дълбочината на профила и прозрачността на разсейвателя. 24V версията на лентата позволява да се използват по-дълги части с едно захранване без загуба на луминесценция. Предлагат се две версии на лентата: със степен на защита IP65 или IP00.

- 3-годишна Гаранция при спазване на гаранционните условия, достъпни в уебсайта
